

## Bedtime Stories - FAQ Content Strategy

Here are the recommended Frequently Asked Questions (FAQs) for each key page of your website. These are designed to address user anxieties, clarify the product offering, and improve SEO.

### Home Page

*Goal: Convert visitors into subscribers by explaining the "What", "How", and "Why".*

#### **Q: How does Bedtime Stories work?**

**A:** It's simple magic! Every day, our AI generates a brand new, calming bedtime story. We human-vet it for safety and quality, and then deliver it straight to your inbox, so you have a fresh tale ready for bedtime every single night.

#### **Q: Are the stories safe for children?**

**A:** Absolutely. Safety is our top priority. While we use AI to spark creativity, every single story is reviewed by a real human before it is published. We ensure there are no scary surprises, inappropriate themes, or complex language—just sweet, calming dreams.

#### **Q: How much does it cost to subscribe?**

**A:** We offer a free tier that gives you access to our daily story. You can subscribe to get these magical tales delivered directly to your email inbox every day.

#### **Q: Can I customize the stories?**

**A:** Currently, we curate a single, perfect story for everyone each day to save you time. However, we are always working on new features, so stay tuned for future personalization options!

### Library Page

*Goal: Explain access rights and help users navigate the collection.*

#### **Q: Are the stories in the library free to read?**

**A:** Yes! All the short bedtime stories in our library are completely free to read online. You don't need a paid subscription to browse or read past tales.

#### **Q: How often is the library updated?**

**A:** The library grows every single day! As soon as a new daily story is released, it is added to our permanent collection here, so you never miss a magical moment.

#### **Q: How do I find a story my child will like?**

**A:** You can easily browse by category tags at the top of the page, such as **Magic**, **Space**, **Princess**, or **Animals**. Whether your child loves artistic adventures or forest friends, there's a story waiting for them.

## Categories Page

*Goal: Help users find specific themes relevant to their child's interests.*

### **Q: What story categories are available?**

**A:** We have a wide variety of themes to spark every child's imagination. Our most popular categories include **Space** adventures, **Magical** kingdoms, **Forest** animals, **Arts**, **Vehicles**, and **Gardens**.

### **Q: Are all stories meant for bedtime?**

**A:** Yes. Regardless of the category—whether it's a rocket ship or a race car—every story follows a calming narrative arc designed to help children wind down, relax, and drift off to sleep.

### **Q: What age group are these categories for?**

**A:** Our stories are generally written for children aged **3 to 10**. They are gentle enough for toddlers but have engaging themes for young independent readers.

## Story View (Read Story) Page

*Goal: Enhance the reading experience and encourage sharing.*

### **Q: How long does it take to read a story?**

**A:** Our stories are designed to be the perfect length for a bedtime routine—usually taking about **3 to 5 minutes** to read aloud.

### **Q: Can I read this on my phone or tablet?**

**A:** Yes, our site is fully mobile-optimized. You can read comfortably from your phone or tablet while tucked in bed, without needing to print anything.

### **Q: Can I share this story with friends?**

**A:** We'd love for you to spread the magic! You can easily share the link to this story with friends, grandparents, or anyone else who might enjoy a peaceful bedtime tale.

### **Q: Do the stories come with audio?**

**A:** Currently, these are text-based stories designed for you to read aloud to your child, fostering a special connection at the end of the day.
